

## **Brazilian CONLESTE Delegation in Israel**

A delegation from CONLESTE, Brasil, included the President and the Director General of consorcio, conducted a study visit on the theme of rural development and regional integration. During the visit, conducted between March 20-27, 2010, the delegation visited the cities of Rehovot, Holon, and Nazareth where they meet with officials responsible for strategic planning and economic development. They also visited regional councils, Yoav Yehuda and Emek Izreel where they observed the organization for rural tourism and the agricultural industry. The trip also included cultural visits in Jerusalem and Nazareth.

The intention is to develop a cooperative agreement between the CONLESE and the Weitz Center CERUR.
