

## **International Course on "Strategies for development and poverty reduction"**

The International Course on "Strategies for development and poverty reduction," with 27 professionals from 10 countries in Latin America was held from 23 August to 15 September.

This course is conducted within the framework of MASHAV, in cooperation with UN-HABITAT ROLAC.

We were honored to host Dr. Oscar Roldan, a representative of UN-HABITAT, as one of the course lecturer.
