

## **Seminar on "Tools for the Promotion of Local Economic Development" for senior professionals.**

Given the large number of applicants for the International Course on "Promotion of Local Economic Development through Strategic Planning", and their high level of professionalism, the Weitz Center, MASHAV and UN-HABITAT decided to implement a parallel Executive Seminar for senior professionals on the topic of "Tools for Promotion of Local Economic Development."

From 3 October to 15 October, sixteen professionals from Latin America and Equatorial Guinea participated in this seminar.
